British Indian Princess Sophia Duleep Singh to get Blue Plaque

LONDON

“She was a dedicated member of the Women’s Social and Political Union and the Women’s Tax Resistance League. The plaque will mark the large house near Hampton Court Palace which was granted to Sophia and her sisters as a grace and favour apartment by Queen Victoria in 1896,” it notes. British Indian writer Anita Anand, the author of *Sophia: Princess, Suffragette, Revolutionary*, expressed her excitement at the historical heroine being recognised with a Blue Plaque. “Princess Sophia Duleep Singh will finally get the recognition she deserves,” said Anand.

Memphis Police Director Cerelyn "CJ" Davis has said other officers are under investigation for their part in the arrest. During the traffic stop, the video shows the officers were "already ramped," she said. The officers were "aggressive, loud, using profane language and probably scared Mr. Nichols from the very beginning." *AP*

FOREIGN LOAN INFLOWS OF PAKISTAN SLOW DOWN: REPORT

Pakistan received only \$5.6 billion in foreign loans during the first half of current fiscal year, equal to about one-fourth of the annual budget estimate, as per a media report on Saturday

\$5.6 billion

Data compiled by the Ministry of Economic Affairs showed that foreign loan disbursements from July to December 2022 stood at a mere \$5.6 billion, the *Express Tribune* reported.

The report added that the disbursements were not enough to finance the maturing foreign debt, making a severe dent in the foreign exchange reserves held by the central bank.

WHY THE LOW DISBURSEMENTS?

The key reason for the low disbursements was the government's failure to ensure the timely completion of the ninth review of the IMF programme. As a consequence, the receipt of \$5.6 billion was equal to only one-fourth of the annual budget estimate of \$22.8 billion

INSUFFICIENT LOANS

Pakistan received just \$532 million in loans in December, which were not sufficient for making major repayments

In the past seven days, the country paid \$828 million to Chinese financial institutions. As a result, the official foreign exchange reserves slipped to \$3.1 billion

About 44% of the loans received in December came from the Asian Development Bank (ADB), which gave \$231 million. So far, the ADB has remained the largest lender with disbursement of \$1.9 billion

Against the annual estimate of \$7.5 billion, Pakistan has only received \$200 million in foreign commercial loans in the current fiscal year, the report said

The government now expects it will receive \$6.3 billion in commercial loans, which appears to be on the higher end

It had also hoped to get loans of \$1.6 billion under the most expensive Naya Pakistan Certificates. So far, \$190 million, or 1% of the annual estimate, has been received

and we know that Flybe's decision to stop trading will be distressing for all of its employees and customers."

The UK government said that its immediate priority would be to support anyone trying to get home and those who have lost their jobs.

"This remains a challenging environment for airlines, both old and new, as they recover from the pandemic, and we understand the impact this will have on Flybe's passengers and staff," it said.

The Civil Aviation Authority is providing advice to passengers to help them make their journeys as smoothly and affordably as possible.

It added that most of Flybe's destinations were within the UK, so alternative means of transport were available. *AF*
