INNOVATION AND TECHNOLOGY:

TIMT ORGANISED THE INTERNAL SMART INDIA HACKATHON

Tilak Raj Chadha Institute Of Management and Technology, come to a successful completion of the institute's Internal Smart India Hackathon held today. In this highly anticipated event, 7 dynamic teams are set to take centre stage, each armed with their unique ideas and a shared mission for their projects – to catalyse change and transformation in India through their ingenuity in technology and innovation.

Our participants are poised to ideate and develop cutting-edge solutions addressing various societal challenges. The Smart India Hackathon or SIH is a nationwide initiative by the Indian Government aimed at promoting innovation and Entrepreneurship among young minds. TIMT's internal event was a testament to its commitment to fostering innovation and technology within its rank. The Hackathon featured teams comprising individuals' expertise, ranging from software development and data analytics to engineering and design. Each team was tasked with solving a real-world problem or challenge using technology as a catalyst.

From problem-solving to groundbreaking solutions an interesting project was proposed by one of the team on a personalized online meeting system for AICTE. The presentation started in front of our honourable judges including the HOD of Computer Application and other Faculty Members who assisted the technocrats well. In events, the institute came with enthusiastic teams on final selection as 5

teams naming Exam Tech Innovators, Tech Knights, Budding Technocrats, Infinity Loop and Fusion to go ahead for the Smart India Hackathon final call.

The Event ended with the vitalizing words of the HOD of Computer Applications as She appreciated that the students have showcased their innovation and problem-solving skills at Hackathon, pushing the boundaries of technology and briefed that participating in such events is more important, the spirit of innovation and creativity as these 5 teams embark on a journey to harness the power of technology and create solutions.
