

# Hong Kong convicts 14 of subversion

## Pro-democracy activists found guilty of bid to paralyse govt in largest use of China-imposed security law

AP/HONG KONG

A Hong Kong court on Thursday found 14 pro-democracy activists guilty of subversion in the

streets with demonstrators, authorities have all but silenced dissent in Hong Kong through reduced public choice in elections, crackdowns on media and

largest use yet of a China-imposed National Security Law.

The court said their plan to effect change through an unofficial primary election would have undermined the government's authority and created a constitutional crisis.

After a 2019 protest movement that filled the city's

the Beijing-imposed security law under which the activists were convicted.

Those found guilty of conspiracy to commit subversion included former lawmakers Leung Kwok-hung, Lam Cheuk-ting, Helena Wong and Raymond Chan.

They could face up to life in

prison when sentenced later.

The two defendants acquitted were former district councilors Lee Yue-shun and Lawrence Lau. But the prosecution said it intends to appeal against the acquittals.

The activists were among 47 democracy advocates who were prosecuted in 2021 for their involvement in the primary. Prosecutors had accused them of attempting to paralyze Hong Kong's government and topple the city's leadership by securing the legislative majority necessary to indiscriminately veto budgets.

tempting to paralyze Hong Kong's government and topple the city's leadership by securing the legislative majority necessary to indiscriminately veto budgets.
