

General studies but a dream for poor-middle class!

Ahmedabad, The number of government universities in Gujarat is barely 18, whereas private universities are scattered. In govt university usually the whole course of BA-B.com is completed in 10 thousand and degree is awarded. Then the details that various private universities of the state are running a huge robbery in fees have come to light. Private universities including Ahmedabad charge a four-year fee of ₹18.40 lakh over and above the medical and engineering fees. Then why can students from poor and middle class families pay such huge fees if they do not get admission in government universities?

The number of private universities in the state is more than the government universities. As FRC is not applicable to private universities and fees are being charged in the name of Center of Excellence. Fees are being charged by private universities for general courses like BCom and BA, as much as there is no fee for medical courses. A four-year course like BCom and BA now costs Rs 18.40 lakh, while the same course is taught within Rs 10 thousand in a government university. Fees of private universities in lakhs of rupees. There are as many as 18 government universities in the

state, while there are as many as 108 private universities. Courses run in government universities are conducted for a nominal fee, while private universities are charging lakhs of rupees. Fees of lakhs of rupees are charged in professional courses, but at the same time lakhs of rupees are charged in general courses of commerce and arts, BCom and BA. The government also allows private universities to charge lakhs of rupees as fees. A course in a government university costs 10,000, the same fee as medical and engineering is now charged to study in a private university in Gujarat in a normal course. A total of

18.40 lakh four-year fee has to be paid to study courses like BCom and BA in a private university. Whereas in the state government university, the fees for courses like BA and BCom are around 2100 to 2600 rupees per annum and not even 10 thousand rupees to complete the course. Fee hike based on annual accounts Government universities and affiliated colleges have appointed FRC committee for fee hike and fee control, which gives fee hike based on annual accounts. While private university no FRC is applicable. Apart from this, fees are sanctioned from the government by private universities through Centers of Excellence.

Akasa Air completes its second successful year

Ahmedabad, Akasa Air, India's fastest-growing airline, celebrates its second anniversary today, marking an extraordinary journey evidenced by significant milestones for any Indian airline in the history of aviation. The airline operated its first commercial flight on 07 August 2022 from Mumbai to Ahmedabad, redefining the representation of an Indian airline led by its empathetic service culture, reliable operations and affordable fares. Akasa Air has consistently been India's most on-time airline. This, together with its operational efficiencies and extremely positive customer feedback has made it the preferred carrier of over 11 million passengers in India since its inception. In line with its endeavour to cater to the growing demand for air travel by connecting people, cultures, and regions, Akasa Air has registered triple-digit growth and continues to be the fastest-growing airline in global aviation history. Celebrating the milestone, Vinay Dube, Founder and CEO, Akasa Air, said, "Two years ago, we embarked on a

journey with a vision to redefine air travel, and today, I can proudly say that we have successfully delivered on our purpose while upholding our commitment to reliability, service excellence and affordability. We offer an unparalleled flying experience with the most comfortable seat in the Indian skies, a fresh in-cabin experience and our carefully curated culinary offerings, delivered by our empathetic crew. Students said- Go and tell the VC, you are like a donkey

I don't even have teachers to teach 6,400 students: Dean

Vadodara, Controversy over admission has been going on ever since the admission process started in MS University in Vadodara city. Meanwhile yesterday (August 5) NSUI surrounded the Dean of the Faculty of Commerce and made a fierce presentation. In which the students angrily told the dean that, Sir, you may feel good in an air-conditioned cabin, but when you leave Vadodara, everyone will scold you. So the student leader told the dean, go and tell the VC that you look like a donkey.

Gujarat including MS University. Strong Demand for Admission to Local Students. MS University in Vadodara city has been considered a world renowned university for years. But this world famous MS university does not have only qualified teachers. This is not us, but the Dean of Commerce of MS University himself is saying this. NSUI yesterday surrounded the dean demanding admission to local students who appeared in the supplementary examination. A video of this presentation 'you go and tell the VC, you are like a donkey' has gone viral. In which the students are telling the dean

that, Sir, you may feel good in a cabin with AC, but if you go out in Vadodara, you will be scolded by everyone. Know this fact. You go and tell the VC, you are like an ass. The

students of Vadodara have to be given admission. Why is there such stubbornness? VC from outside does not give admission to Vadodara students.
