Nellore legislator takes a ride down memory lane

The Hindu Bureau
NELLORE

It was a nostalgic moment for Nellore Rural MLA Kotamreddy Sridhar Reddy when he rode around the streets of Nellore city on his favourite 'Bajaj Chetak' scooter after a gap of over 25 years.

The vehicle, bearing registration number AP26 F 717, was used by him for a decade during 1987-1997 when he was a student leader in Nellore. He later gave it to a friend in need after buying a new two-wheeler.

Recently, Mr. Sridhar Reddy got his "prized possession" back from his friend and merrily rode around the streets of Nellore on it after a long gap.

"As years rolled by, I changed several motorcycles and cars to finally own SUVs today. But, the pleasure I derived after driving

Nellore Rural MLA Kotamreddy Sridhar Reddy riding his vintage scooter in Nellore on Monday.

my old war horse is immeasurable", he told The Hindu with a hearty laugh.

The three-time legislator, known as an 'aam aadmi' in the region for reaching out to his voters and trying to solve their problems, hit the headlines two years ago when he got into an open sewer as a mark of protest against civic indifference.

'Look at energy conservation as collective responsibility'

The Hindu Bureau
PUTTAPARTHI

Sri Sathya Sai district Collector T.S. Chetan said that everyone in the community should view energy conservation as a collective responsibility during the Energy Conservation Awareness Week programme organised by the Andhra Pradesh Southern Power Distribution Company (APSPDCL), here on Monday. The Collector launched wall posters and publicity material for the week-long campaign.

On this occasion, Mr. Chetan recommended that individuals boost their knowledge on energy conservation by practising it in their everyday activities. He said that appliances

should be utilised in a manner that conserves electricity, especially by highlighting the use of solar-powered water heaters and geysers that help in significant energy savings compared to electric ones.

To promote electricity conservation, the Collector encouraged the public to be mindful of the energy-saving tips provided in the campaign literature, including pamphlets, wall-papers, and flexi-displays, under the supervision of the Department of Energy. "People should be informed about the energy conservation initiatives set in place by both the Central and State governments, and take full advantage of them," the Collector said.

Top priority to resolving land issues through Praja Darbars: Transport Minister

RAYACHOTI

Minister for Transport and Sports Mandipalli Ramprasad Reddy observed that officials must address land issues regularly without overlooking them.

He conducted a Praja Darbar event at his residence in Boreddigiripalle village in Chinnamandem mandal of Annamaya district on Monday.

He noted that the public, particularly the farm-

Transport Minister Mandipalli Ramprasad Reddy addressing the Praja Darbar event at Rayachoti in Annamaya district on Monday.

ers, facing various challenges due to land disputes in the past were now benefiting from the coalition

government's formation. "The government has prioritised resolving land issues. With the involve-

ment of the legislators, the Praja Darbar events would be organised periodically all over the State, which would go a long way in promptly addressing the land disputes," he said.

The Minister received numerous petitions from the public, mostly pertaining to the land disputes, and he forwarded them to the relevant authorities.

Meanwhile, he affirmed that illegal constructions in Rayachoti town would not be tolerated and all such constructions would be re-

moved without any compromise.

Addressing a press conference at Abbavaram SC Colony near Rayachoti, the Minister pointed out the prevalence of illegal constructions within Rayachoti Municipality in the past.

He said that some individuals were erecting six-storey buildings without the necessary approvals, which was detrimental to public safety and negated the regulations of the government and the civic bodies. He said that orders

were being issued for authorities to take action against such violations.

He stated that Rayachoti town was initially developed along the banks of the Mandavva river, which had been encroached upon during the YSRCP government, leading to rampant illegal constructions. He warned that such actions were objectionable as they involved building in river catchment areas, adversely affecting government revenue and jeopardising public safety.
