No bypolls will be held in TG, asserts CM Revanth

'Even if BRS desires to have one for their seats, there will be none'

EXPRESS NEWS SERVICE @ Hyderabad

REFERRING to the case in the Supreme Court seeking the disqualification of 10 party MLAs who had switched loyalties to the Congress from BRS while invoking constitutionally guaranteed immunity from Judicial scrutiny over Legislative proceedings, Chief Minister A Revanth Reddy on Wednesday made it clear that there would be no byelections in the state.

MLAs in the State Legislative Assembly during the discussion on the Demands for Grand for 2025-26. The State government's focus on welfare and development rather than byelections, he stated, "Honourable Speaker sir, through you, I want to assure the members that they need not worry about byelections. No byelections will happen. Even if they (BRS) desire to have one for their seats, there will be none. Even if their members switch sides, there will not be any byelections."

Reddy argued no byelections, citing past BRS defections. He asserted constitutional consistency, unchanged justice, speaker's role, and precedents, ensuring no byelections, following assembly traditions.

ASI COPIES 1K INSCRIPTIONS NATIONWIDE

EXPRESS NEWS SERVICE @ Kadapa

THE Archaeological Survey of India (ASI), Epigraphy Branch, has copied 1,000 inscriptions from various regions across the country in the financial year 2024-25.

Director of Epigraphy at ASI, Dr K Munirathnam Reddy said inscriptions are crucial for historical documentation and emphasised efforts to compile them into books.

"Inscriptions tell us what history should be written. We are making historical, cultural, and traditional knowledge accessible to future generations and research scholars," he said. ASI continues to document inscriptions, with two teams currently working in Perungani and Allur in Tiruchirappalli district, Tamil Nadu, and Vishwanagar and Hathras in Aligarh district, Uttar Pradesh.

A team led by Munirathnam, along with Siddavatam Forest Ranger K Kalavathi and ASI experts from Chennai and Bengaluru, conducted a study in Lanka Malla Wildlife Sanctuary.

Between 27 February and 1 March, the team explored the forest regions of Siddavatam, Konduru, Rolabodu, and Maduru in Kadapa district.

They discovered 25 rare inscriptions and rock engravings dating from the 4th to the 15th century. For the first time in South India, rare label inscriptions and Shankha script inscriptions were found in the Lanka Malla forest region.
